

## SEED PAPER HEART INSTRUCTIONS:

- 1) Remove seed paper heart from the card.
- 2) Put the seed paper 1/4" under the soil in a sunny spot.
- 3) Water gently so the stream of water doesn't push the soil off the seed paper.
- 4) Make sure the soil is always moist but not soaked.
- 5) Sprouts should pop up in 7-10 days.
